Home School Agreement

The purpose of this agreement is to create a positive relationship between parents and school and to commit both parties to the common aim of providing a better education and a happier future for the young people concerned.

The school will:

- Invite parents to school prior to admission, to share information, alleviate concerns and collate available information. Parents and the family will also be shown all the facilities and given access to all areas of the school.
- On admission, give parents the name of the class teacher and the support staff involved with their child.
- Within one term of admission, assess the child educationally and behaviourally. Parents will be asked to work in collaboration to set objectives for their child so that IEFYs can be written and implemented.
- Review each child annually and invite parents to contribute to this review in writing and in person.
- Give parents a copy of a School Brochure and more details on any policies they may require.
- Keep parents informed of school activities and other issues.
- Reassure the parents that every effort will be made to ensure their child's safety.
- Encourage parents to visit school by prior arrangement.
- Will offer each child full access to the National Curriculum, providing suitable attention to their individual educational and behavioural needs.

Parents will:

- Give due consideration to their child's placement at the school and be fully supportive of the school in the management of their child.
- Ensure that the child attends school regularly and notify the school in the event of any unavoidable absences.
- Communicate regularly with the school if there are problems at home or at school.
- Attend meetings within the school at the mutually agreed time.
- Attend the Parent Day meeting with teachers and Annual Reviews and respond in writing.
- Support mutually agreed objectives for the child.
- Communicate their concerns directly and promptly to the school.
- Help the child at home by continuing aspects of the child's education as agreed with the class teacher

PLEASE NOTE: PUPILS ARE NOT ALLOWED TO BRING MOBILE PHONES TO SCHOOL
