

Testimonial Tuesdays

4th January 2025

#TestimonialTuesday
#Moliantmawrth
#Pawnyngallu

Today's testimonial is from a parent of one of our pupils.

Rhys is a 15 year old young man who is severely autistic and non-verbal. He is the eldest of twins, whose brother is also autistic. They both attend Ysgol Heol Goffa. Rhys was always different and lived in his own little world. Before Heol Goffa he attended another school until he was 11. He has always used communication aides from PECS to Proloquo2go.

He has really progressed since going to Heol Goffa and during the last year he has attended a communication group to help pupils using these devices. It has become really apparent how much he has improved with his device.

He recently had to have his annual eye test and was able to do the full test for the first time ever with the help of his device. Heol Goffa offers Rhys the chance to learn everyday life skills we take for granted.
