Today's testimonial comes from our staff members and one of our parents about how our fabulous communication lead has helped one of our pupils.

So what did the staff say...

Just want to say a MASSIVE thankyou. The communication board in the bathroom for the pupil and the ones in class, along with the green lanyards have enabled the pupil to be nappy free all of last week and so far this week! We had a few accidents but that is due to him being so quiet and class being so loud. This week we are teaching him to put his hand up to tell us he needs the toilet. We all chuffed and so proud of him, he only started last Monday. We wouldn't have been able to do this without you so Thankyou so much for your hard work

What did the parents say...

Thank you for the communication boards. Our son is now using them to tell us he needs a wee wee. He has even been waking his brother up in the middle of the night to say toilet
